

Longstanton Living Advent Calendar 2017

Longstanton will be holding its first living advent calendar this year. Join us in making the village a giant living advent calendar.

What is it?

Inspired by Saltaire Living Advent Calendar, the idea is that windows in Longstanton will be illuminated with a festive window display with one or more being 'opened' daily from 1st December until 24th December and then remaining on view until 5th January 2018.

The design of each window will be kept a secret until the day it is illuminated. We are hoping that as many will take part. These can be households, companies, school, nursery, etc.

Those taking part will be given a day that they will 'open' their window to the public.

Saltaire Inspired, 2015

A map will be made available for residents to walk around the village to see the 'Living Calendar'
